### Why join Sisterhood?

**Temple Emanuel Sisterhood** is the collective identity of the women in our congregation. It provides us with a strong presence and voice. Sisterhood provides an outlet for the creative energy, talent and leadership potential of the individual Jewish woman. Through our affiliation with Women of Reform Judaism, our members connect with more than 65,000 women in nearly 500 women's groups in North America and around the world.

**Sisterhood** needs the support of all the women in our congregation. No organization can exist without members or finances. With your participation, we all benefit from your friendship, energy, and interests. Your membership dues provide funds to implement our programs, contribute to our temple and support our Hebrew School. Your unique educational, religious, and life experiences enrich the collective membership.
